Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Saturday 22 May 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Localised showers with afternoon sunshine. Showers then rain Sunday afternoon.

Today:
Largely cloudy at first, but skies slowly brightening up in the afternoon. A few showers for some are possible throughout the day, particularly in the afternoon, with some showers possibly heavy. Feeling rather cool for this time of year. Maximum temperature 14 deg C (57 deg F).

Tonight:
A mostly clear start to the evening, with cloud building up from the west overnight. Likely remaining dry for most. Minimum temperature 3 deg C (37 deg F).

Sunday:
A largely dry start to the day with variable amounts of cloud. A few showers breaking out in the afternoon ahead of a band of rain moving through later. Maximum temperature 13 deg C (55 deg F).

Outlook for Monday to Wednesday:
Sunday's rain clearing by dawn Monday, with widespread showers, locally heavy, on-and-off Monday and Tuesday. Wednesday variable cloud and largely dry, with some light showers possible in the northeast.
